Subject:- Discrepancies and out of syllabus questions in the LICE for promotion to Junior Engineer (T) Cadre (formerly TTA) held on 28th January, 2018.

Respected Madam,

We draw your kind attention to our letter No.-TF-14/2(b), dt-09-03-2018 (copy enclosed) on the subject cited above. Due to discrepancies and out of syllabus questions in the LICE the candidates have been placed in disadvantageous position. We have pointed out such questions in the letter of 9th instant.

It is submitted that in the All India Conference of the union, held at Amritsar from 14th, 16th March the issue came up for discussions and delegates expressed their distress and handed over further details relating to discrepancies and out of syllabus questions answers key were also wrong to some extent.

We are enclosing a copy of detailed representation, addressed to CGM Shimla, substantiating how the questions and answer and answer keys were wrong and out of syllabus.

We implore upon you to please get the entire matter investigated and reviewed to protect the interest of the employees. We strongly feel that the candidates may not be penalized for their no fault.

With best regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
