Subject:- Junior Engineer LICE – reg.

Refce:- Item 4 of 36th National Council meeting.

Respected Madam,

Kindly recall THE demand for holding LICE for Junior Engineer (TTA) “Off Line” as Telecom Technicians (TMs) are having little knowledge of Computer operation. The reply of the management side circulated in letter No.-BSNL/39-3/SR/2017, dt-24-07-2018 is reproduced below for perusal and ready reference.

“Management side replied that the exam needs to be conducted online as the post of JE is totally technical Cadre and requires the basic knowledge of computers. It was assured that all willing non-executives will be given sufficient training/exposure on computer so that the candidates going to appear may become aware of the online examinations process as well as computer operation”.

It is stated that the process for holding JE LICE has started as such urgent action is needed to impart computer training to the non-executives as decided in the National Council meeting.

We expect appropriate and urgent action in the matter.

With best regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
