**Subject:-** Recruitment in the Cadre of Telecom Technician (erstwhile Telecom Mechanic) against 50% outside quota – reg.

Respected Madam,

It is stated that the recruitment to fill up 50% outside quota vacancies has not been done in last 17 years despite the fact that there is provision in the R/R in this respect. Needless to state that vacancies are available in abundance and field units are facing acute shortage of this category of employees. We may also add that while outside recruitments in the Cadre of JAOs/JTOs, JEs (formerly TTAs) are taking place regularly but same is not being done in Telecom Technician. It is obligatory on the part of management to fill up outside quota of vacancies by open market. Moreover, there is now no waiting list of qualified departmental candidates also.

Under the circumstances we request you to please intervene so that the outside quota vacancies in the Cadre of TTs are also filled up by recruitment.

Yours faithfully,

  
(Chandeshwar Singh)  
General Secretary
