Subject:- Request to dispense with the "Negative Marking" system in LICE for promotion to Telecom Technician Cadre (Telecom Mechanic) – reg.

Respected Madam,

It has been represented that huge number of departmental vacancies in the Cadre of Telecom Technician are unfilled due to Negative Marking system in the LICE. Very recently examination has taken place in which candidates failed with marginal marks due to which vacancies are unfilled. In this connection the cases of Tamilnadu, Eastern UP circles etc may be cited as examples.

We strongly feel in case the present marking system is dispense with in the LICE for promotion to T.T. Cadre the departmental quota of vacancies will not remain unfilled.

It will not be out of context to state that the LICE results have still not been declared in Bihar, Jharkhand, Maharashtra, Chhattisgarh circles.

We request you to please get the proposal considered in the interest of service and circles be directed to declare the results on priority basis.

With regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
