7-2/2017-Rectt (Pt.I)

Dated:10/11/2017

To,

GS (BSNLEU)/GS (NFTE)

Sub - LICE for Junior Engineer (TTA) notified vide No. 7-2/2017-Rectt. Dated 16-10-2017: procedure of examination reg.

Ref:- Letter No. BSNLEU/528(JE) dated 01.11.2017 & TF-14/2(b) dated 31-10-2017

In reference to letter No. BSNLEU/528(JE) dated 01.11.2017 & TF-14/2(b) dated 31-10-2017 on the subject cited above, case was examined with the following consideration in accordance to RR for LICE (JE).

(1) Keeping in view of the Candidates having qualification of 10+2 or 02 yrs ITI/ 03 yrs. Diploma, are supposed to have basic working knowledge of computer. In fact the online examination needs only the basic knowledge of scrolling the screen, punching of the Radio button for selection of the option as well as Key Board punching. More over the selected candidate has to work as JE in the department after promotion & JE is good technical position in the department. The staff at such technical position is supposed to have working knowledge of computer.

(2) Also please refer the SOP wherein it is agreed by the BSNL management to shift the Recruitment process in BSNL to Online examinations, with effect from 1st of April 2015, in a phased manner, as per trend & government/department policy. Accordingly it has been planned that in the first phase, all Direct recruitment examinations, all LDCs for promotion from Executive level to Executive level and all LDCs for promotion from Non-executive level to Executive level may be conducted through online examinations only, starting from April 2015. BSNL has already relaxed online examination in case of TM (LICE).

It is therefore regretted to consider your request of conducting offline (OMR) based exam in case of Junior Engineer (LICE) at this juncture.

This letter is issued with the approval of competent authority

(R.K.Tiwari) 10.11.17

Assistant General Manager (Rectt.-I)
