2.Your office letter no. Pension/Misc./2011/Higher Salary/Vo.I/28668 dated 04.01.2013**

This office had sought clarifications on the above mentioned subject in relation to the employees recruited by BSNL. Your good office had clarified the matter through the letters under reference.

In BSNL, EPF is maintained in a decentralized manner throughout India. BSNL contributes EPF @12% of Salary without any restriction on salary since beginning. There are some BSNL units which are contributing towards Employees Pension Scheme restricting Pay to Rs. 6500/- per month for the purpose of calculating pension contribution whereas some are contributing in EPF pension fund at Actual Salary without restricting the salary to Rs.6,500. The employees of various units are pressing hard and demanding for option of higher pension available under EPS whereas some employees want to opt for default option available under EPS. They are contending that no option is given to them at the time of joining EPF scheme and now they want to exercise the option.

In order to resolve the pending requests of the existing employees of BSNL, it is hereby requested to kindly allow BSNL employees to choose/change the option under EPS scheme as a one time measure on a case to case basis as a welfare measure. It is also worthwhile to mention here that such approval for one time change of option to BSNL employees, if given by your office, amounts to merely a transfer of funds from provident fund to pension fund or vice-versa as BSNL is already contributing in EPF @ 12% on actual salary without any restriction.

Your early reply in this regard will be highly solicited.
