Subject:- Disruption of Telecom Services at Uttarakhand and Himachal circles – Request for fund assistance to BSNL for restoration of services.

Respected Sir,

The National Federation of Telecom Employees is a recognised union in BSNL and represent thousands of non-executive employees in the entity it is stated that the recent natural calamity has completely ruined and destroyed the Cables and Drop wires in the circles. The BTS of Mobile Services are damaged and have been swept away. Thus the BSNL services are completely disrupted due to recent ravages and the people are suffering beyond description. We have already appealed to the employees to gird up their loins to restores the services on war footing. However, it is well known that the BSNL is facing financial crunch as such it may not be in position to purchase and supply the materials required for restoration. We may also mention that the Govt. of India is providing fund for road repairs and other items to help the people in the states. You will agree, Sir, that the BSNL has to fulfill and discharge the social obligations of the Govt at this juncture of distress, sorrow and grief.

We, therefore, impress upon you to kindly take appropriate steps so that adequate fund is released to BSNL for restoration of the services at the earliest.

With kindest regards,

Yours sincerely

(Chandeshwar Singh)
General Secretary
