**Subject:-** LICE for promotion to Telecom Technician (TT) cadre reg.

Respected Sir,

Kindly refer to our representations under which it has been intimated that there are OAs in many BAs where TT vacancies are vacant due to non-availability of successful trained candidates. This is due to fact that LICE is taking place on the basis of OA vacancies. In order to fill up the vacancies we suggest as below:-

1. LICE be held on the basis of total vacancies of the concerned BA.
2. The willing successful candidates be imparted training on the condition that they may be appointed within the BA as per their option and merit. However, the qualified and trained candidates of a particular OA should get 1<sup>st</sup> preference for posting in the parent OA if vacancies exist there and remaining as per their option and merit.

Kindly get the points stated above considered to fill up vacancies.

Thanking you,

Yours faithfully,

  
(Chandeshwar Singh)  
General Secretary
