**Subject:-** Financial crunch/crisis being faced by the company – reg.

Respected Sir,

In course of discussions on 22<sup>nd</sup> instant you have been kind enough to tell us that there is neither financial crisis nor crunch in the entity. We are naturally relieved from the tensions and anxieties in the regard.

However, we strongly feel it is our abundant duty to apprise you that the maintenance work is suffering in the field due to non-payment to vendors as well electricity bills etc. These are affecting the service to a large extent. Even BTS are down due to non-supply of diesels. Apart from above the claims of staff including housekeeping are not being settled due to non-availability of funds in the field.

We request you to please intervene to ensure necessary funds are released for maintenance works and settlement of staff claims.

An early action is urged for.

With deep regards,

Yours sincerely,

  
(Chandeshwar Singh)  
General Secretary
