**Sub:- Settlement of GPF final payment and discrepancies in GPF final payment cases, transfer out cases and minus balances in GPF final payment cases etc. – Regarding.**

It is noticed that there are lot of discrepancies in GPF Final Claims, GPF transfer Cases and in some cases, minus amount being shown in the GPF account of the individuals. DOT, vide its letter No.7-47/2016/TA-I/1767 & 1768 dated 31.03.2015 also shown their discontent on this issue and showing discrepancies in GPF Accounts by taking example of UP (West) Circle.

These types of discrepancies not only create unrest among employees but also prove as hindrance in final payment and Settlement of GPF accounts of employees at the time of retirement. Therefore, these types of discrepancies should be removed at the earliest.

DOT, vide letter No.7-47/2016/TA-I/1767 & 1768 dated 31.03.2016 has requested to settle the GPF account balances of all circles. All the circles are therefore requested to kindly look into the matter and take steps for resolving GPF related pending cases on top priority basis.
