Subject:- Unscheduled and unpleasant hardships to the employees – reg.

Respected Sir,

We are extremely constrained and pained to write that the employees in the PSU are now facing unscheduled and unpleasant hardships. These have unnerved the staff causing anxieties about their future.

Some time back we met and apprised you on the following items:-

- (1) The GPF and Pension contributions of staff are not being deposited.
- (2) The installments of loans recovered from the officials are not being credited to the banks resulting imposition of penalty.
- (3) The recoveries of societies made from the staff are not being remitted.

Now another very serious and unpleasant situation has come to the notice of union. The installments of Life Group Insurance, duly recovered, are withheld and not being credited to LIC. This is alarming development. It should be known that in case of such default t

he family of deceased employee will be deprived of the risk coverage.

We very forcefully demand that urgent action be taken to control and check the present scenario before it is too late.

With regards,

Yours sincerely,

(Chandeshwar Singh)
