Subject:- Holding of LICEs to the Cadres of Telecom Technicians and Junior Engineer (T) – reg.

Respected Madam,

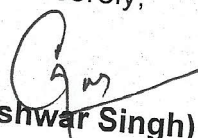

In course of formal and informal meetings the union has demanded holding of LICEs "offline" to dispense with the Negative Marking system as this is placing the officials in disadvantageous position. The departmental candidates specially belonging to Assistant Telecom Technicians etc Cadres do not possess the knowledge of the Computer. Apart from this the same is not provided in the R/RS of the Cadres in which they were initially appointed. The department has also not arranged any computer training programme to such personnel since PSU came into existence. Therefore, holding "online" LICE with negative marking is totally unjustified and injustice to the employees.

We may apprise you that the issue has been deliberated at length in the National Executive meet, held at Haridwar, and has resolved to dispense with the "online" LICEs for TTs and JEs.

Under the circumstances we entreat upon you to please get the matter considered in real sprit and inform the result to the union. We are sure the reasonable demand based on cogent reasons will get dispassionate attention.

With kindest regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
