

A big meeting of employees took place on 22nd April under the Presidentship of Com. Kashi. It was addressed by Comrades R. Venkatrama (Adviser Tepu), Islam Ahmad, Seshadri, circle Secy, Tepu, Mahindran, Circle organizing Secy, SEWA BSNL, Distt. Secy, Tepu and Treasurer Com. Shannugam.

Speaking on the occasion Com. Venkatraman said due to arrogance, intoxication of Power it was difficult to carry on with the BSNLEU any longer. They are more interested in political matters than the welfare of the employees. The vote to NFTE will be for the BSNL employees and for company's well being. All votes of Tepu will be transferred to Tepu on 10th May.

Com. Islam in his hard hitting speech said the employees in BSNL. Could receive no amount as PLI from year 2009 onward because BSNLEU accepted as zero amount. The NFTE after long period of 7 years has made the management agree to pay PLI definitely not in one or two digits but more for year 2014-15. NFTE has not agreed for the amount and has to be negotiated. The BSNLEU's bogus propaganda stands exposed on 6th April by the CMD BSNL. Com. Islam told the 2nd wage revision and NEPP agreements resulted in wage loss, stagnation, HRA loss, no revision of allowances, no change in uniform rates, recoveries in upgradations in NEPP, etc etc. The BSNLEU agreed and accepted profit linked and performance linked PLI. They couldnot solve designation change the settlement within 3 years. HRA on 78.2% settlement is round the corner due to pursuance of NFTE. He assured to safeguard the welfare and interest of S/C S/T brothers.
