

## **SNATTA HEAD QUARTERS BETRAYS ITS MEMBERS**

From SNATTA website it is clear that the GS, SNATTA asked Circles on 11th March to inform their choice of Union to support in verification. But from the agreement entered in between GS of SNATTA & GS of BSNLEU it is clear that the GS of BSNLEU signed on the agreement on 5th March itself.

Thus it is clear from the dates that agreement made by GS, SNATTA prior to call of opinion from the Circle Secretaries of SNATTA. Thus it is evident and clear that the GS of SNATTA just for eye wash and to bluff his own cadre TTA/ Circle leaders has sought opinion on 11th, although the agreement with BSNLEU already took place on 5<sup>th</sup> March.

Another funny point is that GS of SNATTA asked Circles to inform their choice of union to his personal email id instead of CHQ id which has access to other CHQ leaders. As per the reports from SNATTA Circle leaders, most of the Circles selected NFTE but GS of SNATTA had already secretly reached to an agreement with BSNLEU.

Thus the act of GS of SNATTA went against democratic functioning and the act of GS, SNATTA shows how cleverly he played politics against his own members and leaders. His cleverness was superb, but he exposed due to the dates. More than 10 Circles have already informed their support to NFTE and all the educated TTAs are aware of the work done by NFTE for them and definitely they will vote for NFTE in the verification.
