Subject:- Non-declaration of result of 7th verification – reg.

Sir,

We are surprised to note that the result of 7th verification held on 10-05-2016 has not been declared as per prescribed date i.e. 12-05-2016 reportedly on flimsy ground that some voters name be deleted for counting from the total strength of voters at this stage when cut off date has long ago expired. It is mockery of democratic election. If it is accepted then the new appointees after the cut off date be included in the voters list for total strength.

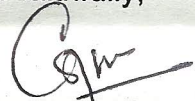

Despite our protest in this respect the SR Cell acted against spirit of election process and reduced the number of voters which is not at all justified in eye of rule and justice.

It is stated that the voters lists were drawn, objections obtained and cut off date fixed before finalizing the list. Any change or deviation will be illogical and illegal at this belated stage. We are reasonably aggrieved over non-declaration of result on the ground. If some voters are to be excluded then on the same logic new appointees be included and it cannot be one way traffic.

Kindly, therefore, declare result and it should not be withheld else it will be mockery of election process.

Thanking you,

Yours faithfully,

(Chandeshwar Singh)
General Secretary
