Dated:-28-11-2022

To,

Hon'ble Minister of
Communications, IT and Railways
Govt of India
Sanchar Bhavan
New Delhi.

Subject:- Plight of BSNL non-executive employees – solicit kind intervention.

Respected Hon'ble Sir,

Some time past we have drawn your kind attention on the pitiable condition of non-executive employees in BSNL, PSU, due to non-revision of their wages due from 1st January, 2017. This has resulted in stagnation of more than 11,000 employees out of present strength of approximately 31,000. The workers are not earning increments for last 3-4 years causing deep frustrations and anguish amongst them. Even the promotion policy evolved and framed implemented from 01-10-2000 has not been revised. In the situation you will please appreciate the miserable condition of the workforce who are required to contribute without any motivation scheme. The NFTE, a recognized and representative body of the employees in the PSU, has represented to the management but the sufferings could not be alleviated as yet.

Sir, very recently we have come to know through social media that the Railway employees were placed in the similar position of stagnation and with your kind intervention the issue has been resolved. Under this compelling condition we humbly seek your kind attention again for resolution of plight of the non-executive officials who are stagnating in their present scale of pay for many years. It will not be out of context to submit, Sir, that the Govt of India at the initiative of your goodself has granted two revival packages to the company and it is now on progressing. The revival will further accelerate once 4G/5G services are launched for the customers. Who are demanding, wage revision is need of the hour to motivate the employees.

We look forward for a positive response and settlement of the employees grievance.

With kindest regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
