**Subject:-** Denial of regularisation of "Reserved Trained Pool staff" against vacancies – reg.

Respected Madam,

It is respectfully submitted that a sizeable number of employees were recruited between years 1982-86 as "Reserved Trained Pool Staff" and they were imparted training to work as Telephone operators/clerks and Telegraphists/Telegraph office clerks. It was made clear to such staff that they will be utilised on daily rate basis and their services will be regularised against occurred vacancies. Such category of officials were engaged for years together and their regularisation was avoided despite availability of vacancies in the field offices. This has caused enormous and immortal pecuniary loss and hardships to the employees. The delay in regularisation is affecting their pension also.

We may also state that litigation has also taken place and the Hon'ble Supreme Court has ordered that the RTPs be regularised from the date of occurrence of vacancies. A number of affected staff have preferred representations to DOT for justice.

It is added that the "NFTE BSNL" is second recognised and representative union in BSNL and ventilate the grievances of the non-executive employees. Therefore, we seek your kind intervention for settlement of the problem.

We, therefore, urge upon you to very kindly direct the BSNL management to take steps for regularisation of services of RTPs from the date of occurrence of vacancies.

With esteemed regards,

Yours sincerely,

  
(Chandeshwar Singh)  
General Secretary
