Subject:- Retention of staff Quarters by VRS, 2019 retired personnel – reg.

Sir,

It is stated that a large number of employees have opted for retirement under VRS – 2019 scheme. Such optees will retire from the "Effective date of retirement" which is prescribed as 31st January, 2019. There are sufficient officials who are in the occupation of departmental staff quarters and their dependents are studying in schools and colleges. Their displacement from the quarters now will bring unscheduled hardships and sufferings to their families. It may be appreciated that such personnel would have continued in possession of quarters till their superannuation if they have not opted for the VRS.

We may also bring to your kind notice that it will be in appropriate to keep the quarters vacant which will bring loss to the company in various ways and means, which don't need dilation from us.

We request you to please intervene so that the necessary guidelines are issued and the retired personnel under VRS scheme, 2019 are allowed to retain the quarters and not displaced due to some over enthusiastic management at SSA levels which have started serving notices for vacation of quarters.

An early action is urged for.

With regards,

Yours faithfully,

(Chandeshwar Singh)
General Secretary
