Subject:- Revamping of committee for 3rd PRC in respect of non-executive employees in BSNL – reg.

Respected Sir,

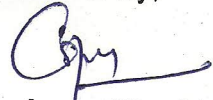

Presently exercises are on in respect of executive staff for extension of 15% fitment in 3rd PRC. It is heartening that now the matter is pending in BSNL board for its clearance and its transmission to DOT.

The National Executive of the union met on 12th/13th October at Vijayawada and expressed its concerns that the similar exercise has not commenced in respect of non-executive staff. The joint committee consisting of staff side and management side has not been formed. We firmly believe that 15% fitness extended to executives will be applicable in respect of non-executives also. Therefore, ^{it} there is need of the hour to revamp the present one side committee into joint one to commence with the consultation with the unions. This will help in avoidance of delay.

We request you to please get the proposal considered in real perspective in order to address the concerns of employees.

With kind regards,

Yours sincerely,

(Chandeshwar Singh)
