**Subject:-** Stagnation of employees in BSNL- reg.

Respected Sir,

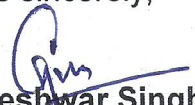

It is stated that a large number of employees approximately to the tune 35 thousands in non-executive category are stagnating at their maximum of the pay scales for more than four years in the PSU. Such employees are in deep frustration as they do not get annual increment.

We understand that the issue was in consideration of the DoT for redressal of the said grievance.

We shall feel obliged in case appropriate steps are now taken to alleviate the sufferings of the employees. This will definitely motivate the staff to a large extent.

With esteemed regards,

Yours sincerely,

  
(Chandeshwar Singh)  
General Secretary
