Sub. :- Suspension of sports activities – reg.

Respected Shri Ravijee,

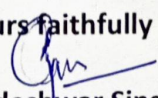

We are deeply constrained to note the contents incorporated in BSNL Hqr communication no. 36-8/2018-BSNL (Sports) dated 29th April, 2025 under which the sports activities have been suspended in the PSU. The decision is arbitrary and against the principles of welfare and cultural activities. The Employees are shocked and angry over the decision. In the situation we lodge our strong protest against the unjust orders and urge for review in the interest of harmony and peace in the company.

We may apprise you, Sir, that the employees are being subjected to discrimination and injustices. The executives adoring the chairs of higher ups in the entity are enjoying advances for purchase of Laptops, reimbursement of costs of Mobile handsets etc. as they alone are contributing to the services and others not. This is dangerous mindset of management which is causing serious resentment amongst the workforce. We have no hesitation in stating that while management is enjoying all facilities and fruits of the company but others denied. You will appreciate that poor non-executives belong to same soil to which higher ups belong. Our demands like festival advance etc. are not acceded to in the name of financial health. But the same is not applicable for others.

We very strongly demand and urge upon you to intervene and end the mindset before it becomes late. You will agree discrimination, high handedness and injustices cannot continue unabated. We also request you to get the suspension of sports activities reviewed.

With esteemed regards,

Yours faithfully

(Chandeshwar Singh)
