Subject:- Telecom Services in BSNL vis-à-vis financial viability of the PSU- reg.

Respected Sir,

We are extremely disturbed and concerned on the present scenario of Telecom Services in the PSU affecting its financial viability. This has forced us to approach to you for urgent remedial measures.

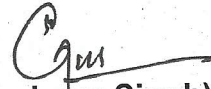

Almost five months back a meeting was held on 09-05-2018 between unions and management side to prevent wasteful expenditures. The union participated in the meeting and thereafter it submitted a letter No.- TF-6/7, dt-10-05-2018 (copy enclosed) containing items of wasteful expenditures which require control and check. It is distressing to state concrete steps have not been taken on the items. Things are continuing as before.

We may apprise you that adequate funds are not reaching to the field for the maintenance affecting the quality of the service. The claims of staff are not being resolved for last 2-3 months. It is strange while fields are starving for funds events and foreign trips are being organised and undertaken.

Under the circumstances we very earnestly implore upon you, Sir, to take urgent steps to check and control the present scenario before it becomes late.

With deep regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
