**Subject:-** Vacant posts of Directors in BSNL – reg.

Respected Sir,

Some time past we have drawn your kind and pertinent attention to the effect that the posts of Directors are vacant in the BSNL affecting the development and it services. You will undoubtedly appreciate, Sir, this is matter of deep concerns for us. The department of Telecom is not bestowing due attention on this vital managerial matter.

There are five posts of Directors in the company. Out of these two are vacant for a long time. The very important post of Director (Finance) is unfilled for last three years and issues raised in the selection are not being sorted out by DOT due to obvious reasons. Similarly, the post of Director (CM) is also vacant for a very long period. The stalemate so created is not being settled by the DOT.

We may also state that the posts of Director (Enterprise) and (HR) will fall vacant from 01-03-2019 and 01-05-2019 respectively due to the retirement of the present incumbents. We strongly feel if the present neglects continue the giant PUS will be without the working Directors in the board. In the present cut-throat competitive environment such situation is unthinkable and dangerous.

Under the circumstances we sincerely implore upon you, Sir, to very kindly intervene into the matter so that the controversies are sorted out and posts are filled up.

With esteemed regards,

Yours sincerely,

  
(Chandeshwar Singh)  
General Secretary
