Subject:- Land parcels for transfer to SPV for monetization – reg.

Sir,

Kind reference is invited to BSNL HQR letter No.-501-27/2018-BT, dt-09-06-2019 on the issue. It is mentioned in the communication that the Board has decided and recommended that the Telecom Factories are not required in the present scenario. We strongly feel that the existence of factories is necessary as these manufacture many Telecom spares and equipments of quality. The factories have adequate infrastructure for the manufacturing once these factories are closed and land is handed over to private concerns the BSNL will be deprived of the products of good quality on reasonable rates. The eyes of private concerns are focused to capture the factory lands at Kolkata, Jabalpur and Mumbai as these are in prime location.

Apart from above the future of staff is also involved. The management at no stage has consulted the unions in this respect.

Kindly, therefore, get the matter reconciled.

With regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
