Subject:- News on second VRS in BSNL – reg.

Respected Sir,

The news have come across the country that the BSNL CO has sent proposal for VRS at the instance of Telecom Directorate. There are anxious enquiries in the field on the news, we are of firm view that such news will seriously affect the BSNL's growth and revival. Moreover, if this important and vital issue is not discussed with all the unions and at least recognised unions the arbitrary VRS proposal will prove counterproductive. Moreover, the union will resist the same with full force at command including recourse to litigation.

We may firmly add that the outsourcing has not improved the quality of service due to lack of commitment of vendors. It is far better to recruit Telecom Technicians, JE(T), JTO(T) and candidates of CGA cases.

Kindly, therefore, take urgent steps to clarify to calm the situation as the news has created panic amongst staff which will be harmful for the PSU.

With best regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
