Subject:- Stagnation of employees on maximum of scales - Resolution regarding.

Respected Sir,

It is submitted that presently more than fifty percent of existing non-executives staff are stagnating on maximum of their pay scales even after availing three stagnation increments. This has deeply generated frustrations amongst them which is not in the interest of the giant PSU.

The National Executive committee meeting of the union took place at Sangli (Maharashtra) in which the issue was discussed at length and a resolution adopted (copy enclosed) for its solution. It has been demanded that the management should evolve some mechanism for continuance of increments to prevent stagnation even after ceiling.

We impress upon you, Sir, for favourable consideration of the demand in the interest of company and workforce both.

With regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
